## ARLINGTON COMMUNITY SCHOOLS

### Statement of Intent

I have read the Arlington Scholars Program literature, and I understand that meeting the eligibility requirements does not assure admission to the program. I also understand that the decision of the Scholars Program Board will be final. If I am accepted into the program, I understand continued participation in the program is contingent upon the required academic performance criteria and the completion of all required community service hours.

I realize I must take a minimum of four (4) honors/AP/Dual Enrollment credits per school year. Semester grades must consist of A's & B's with no more than 3 C's (for semester grades) throughout my high school career. If my grades fall below these criteria, I understand I will be dismissed from the Scholars Program.

I realize that continued participation in this program also depends on regular school attendance and appropriate behavior. As such, I should not miss more than ten (10) days each year and may not have any disciplinary infractions. I understand if I do not adhere to either of the above requirements, the Scholars Program Board will review my membership for possible dismissal from the program.

I realize I must complete twelve (12) hours of community service each school year as defined in the Arlington Scholars Program literature as well as complete a culminating senior project. I understand if I fail to complete the requirements, the Scholars Program Board will review my membership for possible dismissal from the program..
